BUSINESS PLAN - MARCH 2026
R5.2 MILLION EXPANSION CAPITAL REQUEST

Registration: 2024/626727/07 | Director: Humbulani Mudau
Address: Stand 12K, Manini Block K, Thohoyandou, Limpopo, 0950
Contact: 079 465 8481 | humbulani@humbu.store

1. EXECUTIVE SUMMARY

Humbu Wandeme Trading Enterprise Pty Ltd seeks R5.2 million in expansion capital to scale our Imperial Network infrastructure across Limpopo and the SADC region. We currently operate 48 sovereign ports serving 900+ verified users across 43 villages, with a verified platform valuation of R1.806 billion.

The expansion will:

- Double infrastructure capacity (48 to 96 ports)
- Expand village coverage (43 to 86 villages)
- Scale mobile nodes (17 to 34 units)
- Create 50+ new technical jobs in Limpopo

2. COMPANY OVERVIEW

2.1 Legal Status

- Registration: CIPC 2024/626727/07 (Active)
- Director: Humbulani Mudau (ID: 871115 5825 080)
- B-BBEE Status: Level 1 (100% Black Owned) - SAPS Certified 26 Dec 2025
- SARS Tax Clearance: 9282408260 (Good Standing)
- CSD Registration: Active with verified MAAA number

2.2 Physical Operations

- Headquarters: Stand 12K, Manini Block K, Thohoyandou
- Service Area: 43 villages across Vhembe District
- Regional Reach: SADC corridor (South Africa, Zimbabwe, Mozambique)

2.3 Technical Authority

- Lead: Humbulani Mudau | ORCID 0009-0000-9572-4535
- IDC Enquiry #4000120009: PERMANENTLY SATISFIED
- Gro-E Youth Scheme: Approved status

3. TECHNICAL INFRASTRUCTURE: THE IMPERIAL STACK

3.1 Current Infrastructure (March 2026)

- 48/48 Active Ports: 100% operational
- Node-RED (1880): Real-time telemetry & predictive maintenance
- Apex Metrics (8086): SLA tracking & compliance reporting
- Revenue Bridge (8082): Automated billing & reconciliation
- Sovereign Dashboard (8092): Complete system oversight
- Urban Gateway (8102): Regional coordination
- B2B Hub (8099): Business transaction processing

3.2 Core Capabilities

- Real-time monitoring of distributed infrastructure
- Predictive maintenance with 60-second fault detection
- 99.9% SLA guarantee with automated verification
- Multi-language USSD interface (Tshivenda, Xitsonga, English)
- REST API integration with municipal systems

- Public URL: https://monitor.humbu.store
- Real-time status of all 48 ports
- Village connectivity metrics

â\200¢ Service level compliance tracking

4. CURRENT PROJECT: BID 24/2025/2026

4.1 Project Overview

â\200¢ Tender No: 24/2025/2026 (DTA 1127300)
â\200¢ Description: Supply, Delivery & Maintenance of high-volume Colour Multifunction Printers
â\200¢ Duration: 3 Years
â\200¢ Closing Date: 08 April 2026
â\200¢ Location: Thulamela Municipality, Thohoyandou

4.2 Technical Edge

â\200¢ Imperial Stack predictive maintenance (Ports 1880/8086)
â\200¢ 60-second fault detection vs industry standard 24 hours
â\200¢ Just-in-Time toner management (triggered at 15%)
â\200¢ 35% reduction in total cost of ownership
â\200¢ Real-time SLA dashboard for municipal PMU

4.3 Project Value: R5.2 million (3-year contract)

5. MARKET OPPORTUNITY

5.1 Local Market (Limpopo)

â\200¢ 43 villages currently served
â\200¢ 900+ verified users
â\200¢ 17 mobile nodes in operation
â\200¢ Established relationships with traditional councils
â\200¢ Proven USSD adoption in rural areas

5.2 Regional Opportunity (SADC)

â\200¢ Verified trade corridor value: R269.9 billion
â\200¢ Zimbabwe gateway established (Beira corridor)
â\200¢ Mozambique integration in progress
â\200¢ Regional trade synchronization active

5.3 Growth Trajectory

â\200¢ Current valuation: R1.806 billion
â\200¢ Projected 12-month growth: +143%
â\200¢ Addressable market: 200+ villages in Phase 2

6. SOVEREIGN FINANCIAL POSITION

6.1 Liquid Assets

â\200¢ Available Dividend: R879,441.26 (Post-tax)
â\200¢ Absa Corporate Banking: Active
â\200¢ Share Custody: Verified

6.2 Sovereign Reserve

â\200¢ MTN Ghana Position: 883,321 shares
â\200¢ Projected Dividend: GH¢ 353,328 (approx R540,000)
â\200¢ Ex-Dividend Date: 2026-03-24
â\200¢ Payment Date: 2026-04-10
â\200¢ Scrip Option: 61,129 new shares (6.92% annual growth)

6.3 Platform Valuation

â\200¢ True Valuation: R1,806,166,092.14
â\200¢ Portfolio Value: R11.34 million
â\200¢ SADC Corridor Value: R269.9 billion (pending)

7. EXPANSION CAPITAL REQUEST: R5.2 MILLION

7.1 Use of Funds

â\200¢ Infrastructure Scaling (48 â\206\222 96 ports): R2.1 million
â\200¢ Village Network Expansion (43 â\206\222 86 villages): R1.4 million
â\200¢ Mobile Node Fleet (17 â\206\222 34 units): R800,000
â\200¢ Working Capital Reserve: R900,000

7.2 Expected Outcomes (12 months)

â\200¢ Revenue Increase: R8.9 million
â\200¢ New Users: 1,800+
â\200¢ New Jobs Created: 50+
â\200¢ Additional Villages: 43
â\200¢ SADC Coverage Expansion: 40%

7.3 Risk Mitigation

â\200¢ Self-funding capacity: R1.98 million (dividend + Absa facility)
â\200¢ MTN dividend provides natural hedge
â\200¢ Phased rollout with milestone-based deployment

8. COMPETITIVE ADVANTAGE

8.1 Technical Superiority

â\200¢ Predictive vs reactive maintenance
â\200¢ Real-time SLA verification
â\200¢ Multi-language accessibility
â\200¢ Offline-capable monitoring

8.2 Local Presence

â\200¢ Thohoyandou headquarters
â\200¢ Established village relationships
â\200¢ Traditional council partnerships
â\200¢ Local language support

8.3 Sovereign Backing

â\200¢ IDC Enquiry #4000120009: Permanently Satisfied
â\200¢ Gro-E Youth Scheme participant
â\200¢ SAPS-certified B-BBEE Level 1
â\200¢ SARS Good Standing

9. IMPLEMENTATION TIMELINE

Month 1-2: Infrastructure Scaling

â\200¢ Double port capacity (48 â\206\222 96)
â\200¢ Deploy additional monitoring nodes
â\200¢ Train technical staff

Month 3-4: Village Expansion

â\200¢ Onboard 43 new villages
â\200¢ Deploy 17 new mobile nodes
â\200¢ Community engagement programs

Month 5-6: Regional Integration

â\200¢ Strengthen Zimbabwe corridor
â\200¢ Expand Mozambique presence
â\200¢ Sync regional trade data

Month 7-12: Optimization & Growth

â\200¢ Scale to 86 villages
â\200¢ Reach 1,800+ users
â\200¢ Achieve 40% regional coverage

10. CONCLUSION

Humbu Wandeme Trading Enterprise Pty Ltd presents a technically superior, financially sound, and socially impactful expansion opportunity. With

48-port sovereign infrastructure, R1.806 billion valuation, and IDC-verified status, we are positioned to scale our Imperial Network across Limpopo and the SADC region.

The R5.2 million capital request will double our capacity, create 50+ jobs, and deliver essential connectivity to 43 additional villagesâ\200\224all backed by real-time monitoring, predictive maintenance, and sovereign financial reserves.
