RE: REQUEST FOR PERMISSION TO SELL SNACKS AND KOTA AT THIVHILELI SECONDARY SCHOOL

Dear Principal,

I hope this letter finds you well.

My name is Lerato Tshivhase, and I am respectfully writing to request permission to sell potato chips and kota to the learners at Thivhileli Secondary School.

I am currently seeking employment opportunities, and starting this small business will allow me to generate an income to support my family. My son is a learner at your school, which gives me a close and personal connection to the school community.

I believe this service would greatly benefit the learners, as there is currently no one providing these specific snacks on the school premises. I am committed to offering affordable, high-quality food while strictly adhering to the school's rules and maintaining the highest hygiene standards.

I kindly ask the school management to consider my request and grant me the opportunity to serve the learners. I assure you that I will conduct myself responsibly and ensure that my business activities do not disrupt the learning environment in any way.

Thank you for taking the time to consider my application. I would welcome the opportunity to meet with you to discuss this proposal further.

Yours faithfully,

_____ Lerato Tshivhase
